PROFESSIONAL EXPERIENCE

Klear – US Markets Intern | Sausalito, CA

06/2026 – 08/2026

- Selected to support US market launch at working capital fintech serving SMBs in energy, space, and healthcare; conducting market research and attending investor and banking partner meetings to inform strategy.
- Tasked with supporting engineering and AI integration initiatives alongside go-to-market work, contributing to product development and technical strategy to accelerate platform growth and US market readiness.

NOX AI – Product Launch Lead | Remote

06/2024 – 09/2024

- Led go-to-market execution for OpenAI-backed AI productivity tool; designed automated LinkedIn and X outreach workflows, driving measurable lead generation and early user adoption at launch.
- Deployed social analytics to track acquisition and engagement metrics post-launch; iterated on growth strategy based on real-time data, improving conversion and informing product development decisions.
- Built initial user base from zero through targeted digital outreach campaigns, establishing product presence in competitive AI productivity market and demonstrating early traction to stakeholders.

BCG UK – Bruce Henderson Program | London, UK

07/2023 – 08/2023

- Collaborated in cross-functional teams to develop and pitch venture concepts to BCG senior partners; recognized as MVP for outstanding strategic leadership, executive presence, and presentation excellence.
- Engaged in executive-level discussions on global sustainable development strategy, applying BCG consulting frameworks to analyze complex business problems alongside senior partners and a competitive international cohort.

LEADERSHIP & COMMUNITY DEVELOPMENT

Ad Hoc Committee on AI & Academics – Student Representative | Williamstown, MA

09/2025 – Present

- Appointed by College President as lead student representative (1 of 2,200) on institutional AI strategy; advising Board of Trustees, CAP, Educational Affairs, and Career Center on AI policy and governance.
- Built campus AI web hub, led outreach efforts, and drafted 2026 institutional AI roadmap to guide college-wide policy on AI integration across academics and operations.

EphStart – Co-Founder | Williamstown, MA

09/2025 – Present

- Co-founded Williams' entrepreneurship hub as sole first-year and only woman on 4-person founding team; built and launched platform infrastructure, AI resource hubs, and podcast serving the campus builder community.
- Driving alumni-mentor engagement to connect student builders with operators and capital, supporting the next generation of Williams founders across product and ecosystem development.

Rally for Tennis – Co-Founder & Executive Director | Livingston, NJ

09/2021 – 06/2025

- Spearheaded student-led \$300,000+ fundraising initiative over 4 years for GNTE and Seton Hall; secured sponsors On, Wilson, and Head; drove national expansion; featured in ABC News.
- Managed partnerships, fundraising strategy, and team coordination across 4 years to provide underserved communities with expanded access to sport, education, and professional development resources.

Williams College – Equity Analyst, Insight Fellow & ESAC President | Williamstown, MA

09/2025 – Present

- Selected as 1 of 7 first-year analysts from hundreds to manage \$100K+ long-only equity portfolio affiliated with the Williams College endowment; conducting valuation and financial modeling.
- Chosen as 1 of 5 first-years for elite economics and finance think tank; producing rigorous applied research and contributing to publication on pressing macroeconomic and policy issues.
- Faculty-elected President of Economics Student Advisory Committee, advising Williams' largest department on curriculum, academic policy, and departmental priorities on behalf of the student body.
